Serial No. 1

From The C of Police.

ARP 119/41-2 d 4th Feby. 42 requesting that a circular letter re: the Recruitment of A R P Volunteers may be issued to all Heads of Depts.

Subd for perusal and orders whether a Circular as suggested is necessary at present. Perhaps the extent to which the public co-operate in the matter may be seen and if found wanting, the Services of others may be requisitioned. The letter does not give any idea as to the number of volunteers so far enrolled in the places mentioned

(25 5/2)

It was ascertained from the A.R.P. Officers that 155 applications have so far been received from non officials volunteering their services. But many more will be needed and it is feared that on account of the attitude taken by a political party the response to the appeal to the public may not be quite adequate. It is also understood that Circulars regarding the requisitioning of the services of non-essential men in Government Service, have been issued in Bombay & Calcutta. It appears to be advantageous to have as Secretaries a Member of Officials trained in A.R.P. Services (without prejudice to their normal work).

For orders if a Circular may issue to the Heads of Depts.

SIR, SUBJECT:- Recruitment of A.R.P. Volunteers.

Note by the Special A.R.P. Officer, dated 2-2-1942.

SUBJECT: -

A.R.P. - RECRUITMENT OF PERSONNEL.

Submitted.-

A large number of volunteers are required immediately in the Cities of Bangalore and Mysore and possibly at K.G.F. to man the various A.R.P. services to be organised. The extent to which the public would respond remains to be seen. At the same time it would be very useful and -- desirable to have as many able-bodied members of the staffs of Government Offices, Schools, and other public bodies as possible to join up both by way of setting an example and with the object of having a responsible nucleus for each A.R.P. Service. The training of such persons can be arranged also as not to interfere with their normal work.

I request that the Chief Secretary may kindly be addressed in the matter of issue of General Instructions to the Heads of Departments to permit and encourage as many members of their staffs as can be spared, to join the A.R.P. Service. As many officers who would like to enlist as possible may also be allowed to join up.
